

# MAST Proton Detector: 3D Mechanical Housing Design

FIU Experimental Plasma Physics Research Group

Physics Department, CP204  
11200 SW 8TH ST  
Miami, FL 33199  
physics.fiu.edu  
Phone: 305-348-2605  
Fax: 305-348-6700

Date: December 4th 2012

Goal: Update mechanical housing design to create next issue of the design.

Description
3D drawings to update:
a) shield and screws
b) brackets for shield
c) connector piece 1
d) connector piece 2
e) module
f) base
g) detector insulator
h) washer

machine design, intermediate

**Finished**
